AMENDMENT

In response to the Office Action mailed August 14, 2001, in the above-identified Application, Applicants hereby submit the following response. Please amend the application as follows:

IN THE CLAIMS

74. (Amended) [Use of] A method of using a corn meal in an animal feed or human food, wherein the corn meal is obtained after extraction of corn oil from whole kernels of high oil corn, the method comprising the step of including the corn meal in an animal feed or human product.

75. (Amended) [Use of] A method of using a corn oil in an animal feed or human food, wherein the corn oil is obtained by extraction from whole kernels of high oil corn, the method comprising the step of including the corn oil in an animal feed or human product.
